SOL / RE / mi- / DO

SOL

Well you done done me and you bet I felt it

RE

I tried to be chill but you're so hot that I melted

mi-

I fell right through the cracks

DO

And now I'm trying to get back

SOL

Before the cool done run out

I'll be giving it my best-est

RE

And nothing's going to stop me but divine inter-  
vention

mi-

I reckon it's again my turn

DO

To win some or learn some

SOL

RE

mi-

But I won't hesitate no more, no more

DO

It cannot wait, I'm yours

SOL

Well open up your mind and see like me

RE

mi-

Open up your plans and damn you're free

DO

Look into your heart and you'll find love love love

love

SOL

Listen to the music of the moment people dance  
and sing

RE

We are just one big family

mi-

DO

And it's our God-forsaken right to be loved loved

loved loved loved LA

So I won't hesitate no more, no more

It cannot wait I'm sure

There's no need to complicate

Our time is short

This is our fate, I'm yours

I've been spending way too long checking my ton-  
gue in the mirror

And bending over backwards just to try to see it  
clearer

But my breath fogged up the glass

And so I drew a new face and I laughed

I guess what I been saying is there ain't no better  
reason

To rid yourself of vanity and just go with the  
seasons

It's what we aim to do

Our name is our virtue

But I won't hesitate no more, no more

It cannot wait I'm yours

Well open up your mind and see like me

Open up your plans and damn you're free

Look into your heart and you'll find the sky is yours

So please don't please don't please don't

There's no need to complicate

'Cause our time is short

This, oh this, this is our fate, I'm yours
